Love...

It's like a machine.

She uses me.

Like a piece of meat.

Over and over again.

Hard nails digging into soft flesh.

Skin breaking beneath an unforgiving embrace.

Blood and sweat mingle in the air.

She uses me until I have nothing left.

Then she uses me more.

Don't stop.

She doesn't.

I love you, Martin.

She uses me...

...and I can't help but like it.

I hate leaving her.

It's like telling someone they can't breathe...

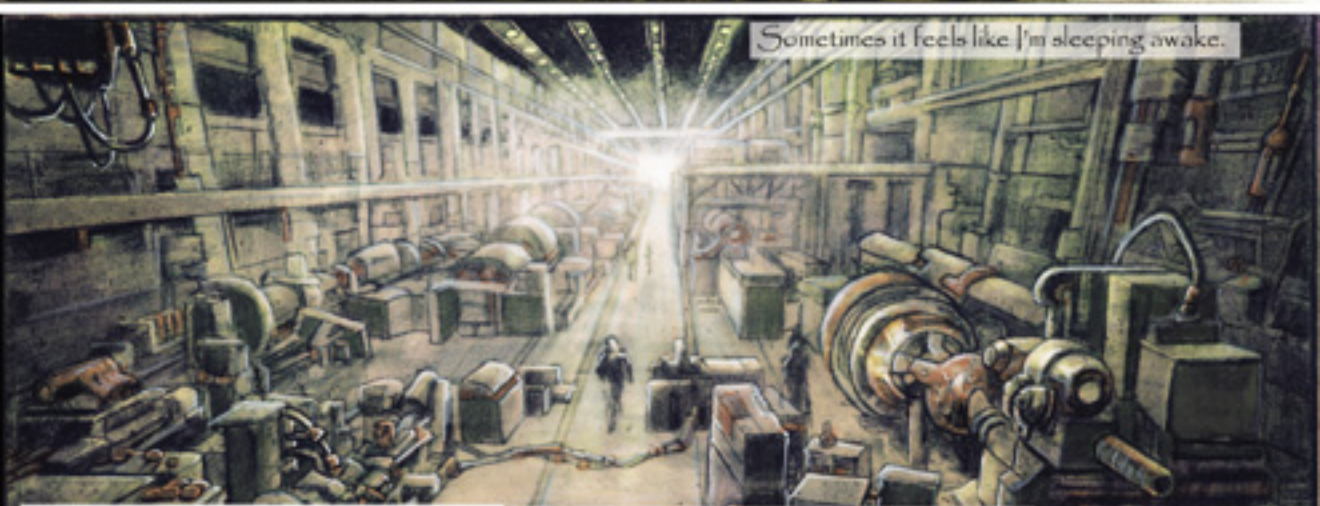

...and then punching them in the stomach.

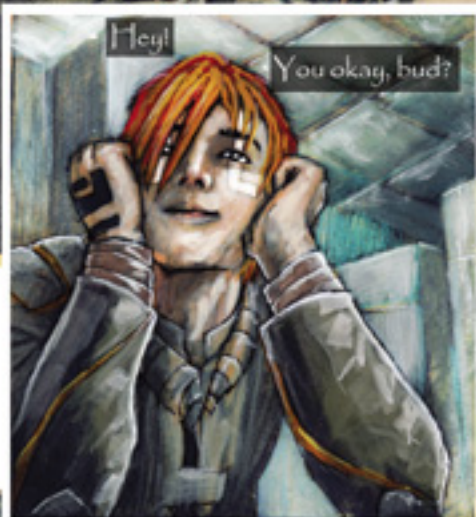

Sometimes it feels like I'm dreaming...

Martin?
Hey Martin!

Sometimes it feels like I'm sleeping awake.

Hey!

You okay, bud?

Yeah. I'm fine.
Just a little tired.

Rough night?

You could say that.

Did you see the new model?

No. I've been a little busy.
How did it turn out?

Take a look for yourself.

Have you ever seen a woman that you just knew was going to be trouble?

We're calling her the Devon 3000.
She's up for testing later today.
Want to give her a run?

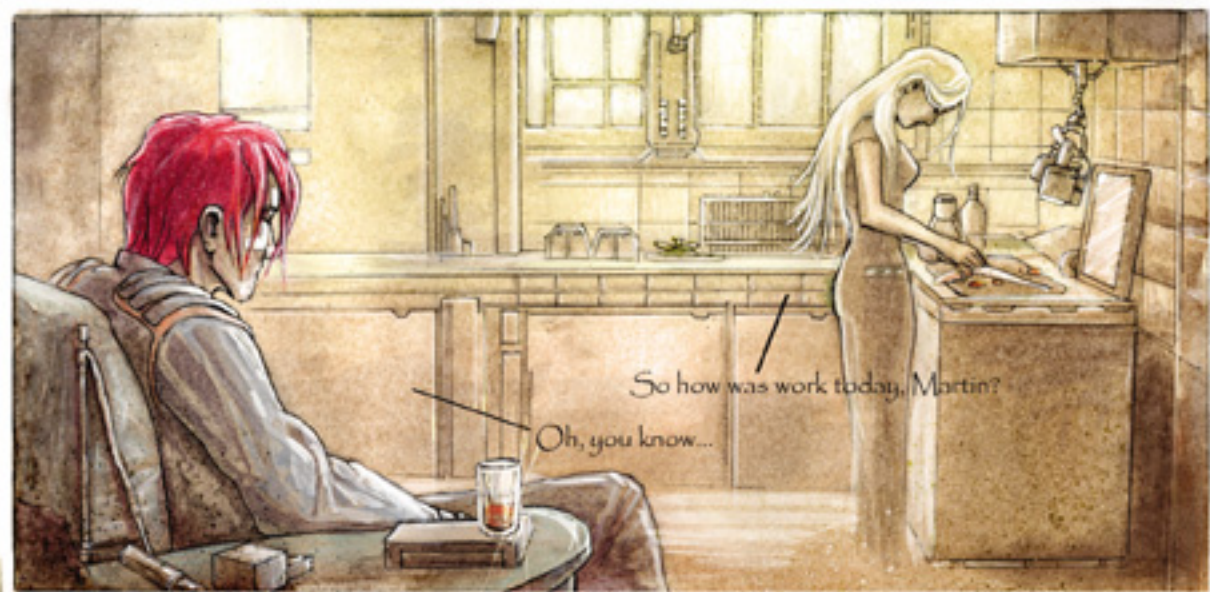

And even though you knew
that you were about to walk
into a world full of shit...

You just couldn't say no.

Where do I sign up?

So how was work today, Martin?

Oh, you know...

It was fucking great!
I spent my dinner break fucking
the shit out of the most incredible piece of ass
I've ever had. She let me stick it anywhere and
everywhere and when I was done she came so
hard she nearly broke my dick off.

Same old same old.

I named perfection Maria.
Why, I don't know...
It just seemed to fit.

She has Linda's smile.
Sally's laugh,
Vanessa's body,
Jennifer's ass.

She likes the same things I like, just like Amanda.

She cooks like Tanya.

She fucks like Kourtney used to fuck.
She loves me like Tiffany.

She is everything
I ever wanted in a woman.

And so much more...

So why am I leaving her again?

I knew you'd be back, Martin...

They always come back.

I'm programmed to be everything you ever wanted in a woman.

No,
you're not.

Maria is everything I
ever wanted in a woman.

But right now...
You're what I want.

Oh... GOD!
You feel SO good

No. Please no...

She cries just like Linda cried...

MARIA! Stop!
It's not what you think!

Don't go.
I want you!

No.
Get off me!
I have to stop her.
I love her.

You don't need her.

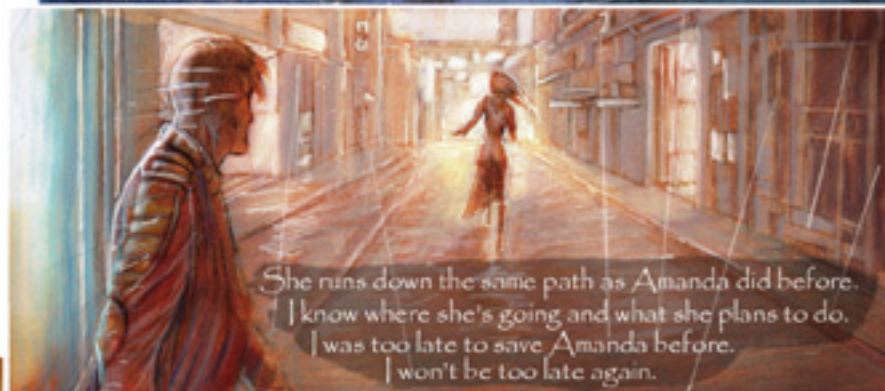

I am everything you could ever want!

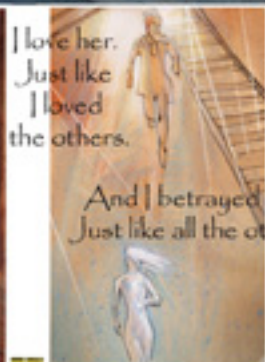

I don't want you!

I WANT MARIA!

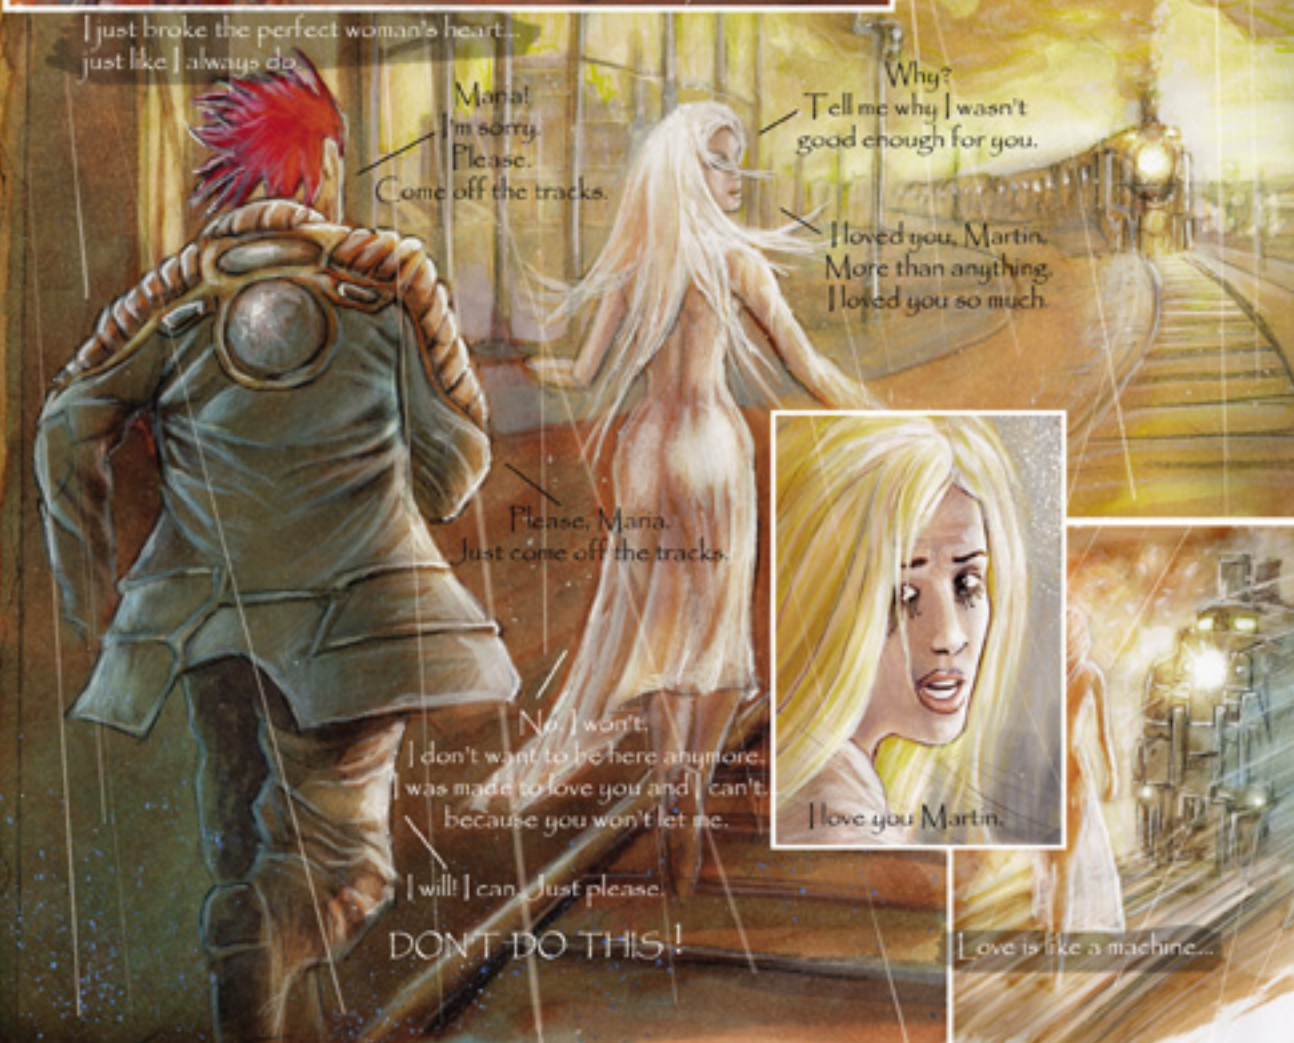

She runs down the same path as Amanda did before.
I know where she's going and what she plans to do.
I was too late to save Amanda before.
I won't be too late again.

I love her.
Just like
I loved
the others.

And I betrayed her.
Just like all the others.

I just broke the perfect woman's heart...
just like I always do.

Maria!
I'm sorry.
Please.
Come off the tracks.

Why?
Tell me why I wasn't
good enough for you.

I loved you, Martin.
More than anything.
I loved you so much.

Please, Maria.
Just come off the tracks.

No, I won't.
I don't want to be here anymore.
I was made to love you and I can't
because you won't let me.

I will! I can! Just please.

DON'T DO THIS!

I love you Martin.

Love is like a machine...

Sometimes...

You have no control over where it'll take you.

Martin!

I'm sorry...
Manaa Bbzzzz

None of this
was your faultzzzz

Please forgive me.
I wasn't
programmedzzz...

...zzz...to know how
to love you.
