**NECROMACHIA**

A dark, industrial interior, possibly a prison or a laboratory. On the left, a man in a long, dark trench coat and a hooded mask stands with his back to the viewer, looking towards the right. On the right, a shirtless man with a bandage around his head and a dark eye approaches. The floor is dark and stained with blood. The walls are metallic and have various pipes and lights. The overall atmosphere is grim and menacing.

Oh, it's you Rien  
-at last!  
Did you?

Nothing. I don't know where else to look.

She won't be in the sector, you must know that...

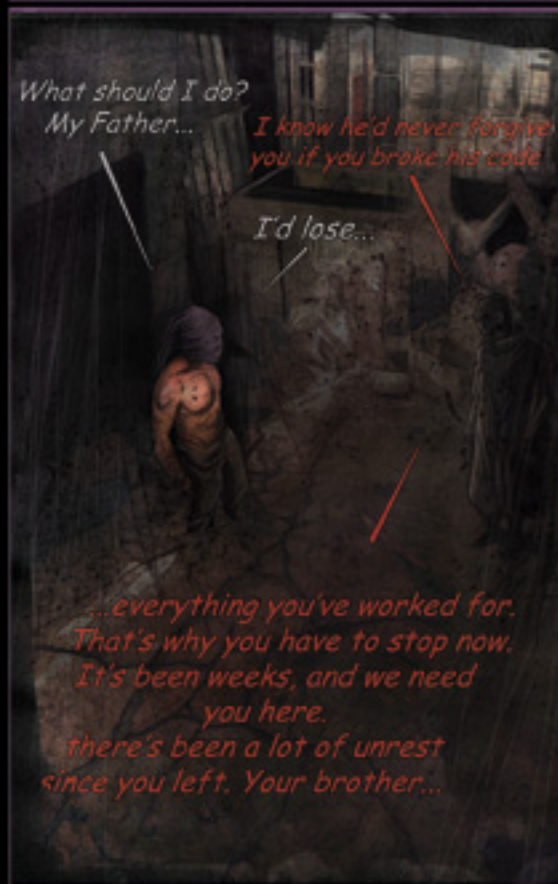

But she promised, she fucking swore she would stay...

Just like all the other times. Yes!

I don't understand her...

Sweetheart you never did...

What should I do?  
My Father...

I know he'd never forgive you if you broke his code

I'd lose...

...everything you've worked for. That's why you have to stop now. It's been weeks, and we need you here. there's been a lot of unrest since you left. Your brother...

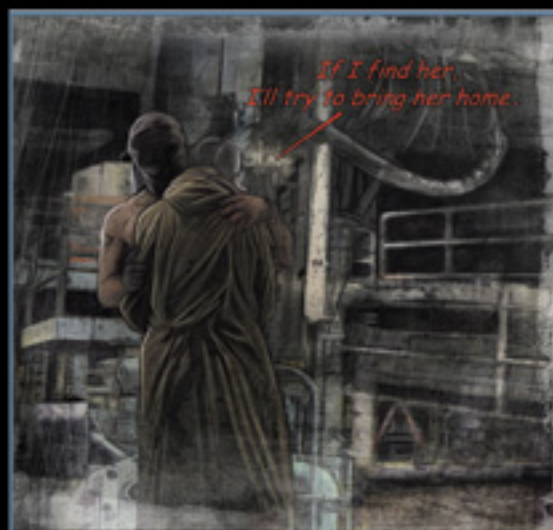

Seth! What's the little shit been up to this time?

If he's...

Hush Rien. It's fine. You're here now. Listen...Rien, I...

I haven't heard anything. I never saw you. I miss her, Nepenthe. I miss your sister. I miss you too.

*Kia?*

BLAM!

BLAM!

*I'm not my sister..*

BLAM!

Necromachia. Death machine.

Shall I find you Kia?  
I won't lie - this scares the shit out of me! These places I'm told I must never go.  
But I'm coming after you, chasing your dream of the Outside.  
I can't go back now. Not now I've killed.  
And you know what?  
Fuck 'em.  
Let's see what's out here,  
on the next level.
